

JOBPARTNERS RANKED FOR THE 2nd CONSECUTIVE YEAR IN REAL BUSINESS LIST OF UK'S FASTEST GROWING BUSINESSES

Real Business Hot 100 Lists Jobpartners for Second Year Running

London, April 27 2007 - Jobpartners, the European leader of software solutions dedicated to the PRM (People Relationship Management) market, has been ranked in Real Business magazine's Hot 100 list for the second year running. Only 23 companies have featured on the Hot 100 list two years in a row over the 10 years it has been running. The Real Business Hot 100 is a ranking of the fastest growing privately owned companies in Great Britain using accounts filed at Companies House.

"We are absolutely delighted to be listed in the Hot 100 for the second consecutive year," commented Patrice Barbedette. "This is a fantastic achievement for Jobpartners and demonstrates our rapid growth rate and impressive success over the past year, which includes a listing in the Sunday Times Tech Track 100 and Deloitte Fast 50 and Deloitte Fast 500 EMEA, as well as the opening of new offices and the winning of major new accounts. Jobpartners continues to go from strength to strength and our rapid growth rate shows no sign of slowing as the demand for effective people relationship management solutions continues to be very high."

With its headquarters in the UK, and offices in France, Germany, the Netherlands, Spain, Belgium and a development centre in Poland, Jobpartners is a leader in the European PRM market. Jobpartners' range of solutions support people management strategies and processes such as recruitment, internal mobility, performance management, package review, executives and key people management, succession planning and career development. With more than 70 large customers, including Boots, Nike, Superdrug and Xerox, Jobpartners has gained a worldwide recognition for its ability to help organisations in the management of their candidates and employees. Some of the solutions are available in 25 different languages (including Asiatic languages).
